

Central Plains Youth Sports

This is our Fifth Newsletter this year. July has brought us some positive news for the project. We received an anonymous pledge to provide approximately \$30,000-\$40,000 worth of in-kind support to help build the parking lot. That brings our total pledges for the parking lot to approximately \$70,000-\$80,000. This helps significantly as we march towards our "Road To success" (Page 2)

If others would like to help with this project our priority one needs are to build a parking lot. These are our immediate needs:

- Asphalt and concrete materials
- Curb and guttering help
- Trucking for fly ash
- Finished Grading
- Labor

If you know of anyone or any company that might consider an offer to donate funding or work-in-kind to go towards the Parking Lot please share this with them.

It's all about the kids

We are proud of our volunteers that help with building marketing material, providing web management, supporting project development, and increasing awareness in the community. Last month we pictured Dennis and Janet Emrich (Left). This Month we are introducing Dr. Marci Johnson, PhD.

Greetings fellow volunteers and supporters of CPYS!

To introduce myself..... I am a retired aerospace executive. During my 26 years in the industry, I lead a variety of functions: from manufacturing to finance to sales and marketing. During this time, I was also a professional student, earning a bachelors, masters, and PhD.

Once I retired, I threw myself into becoming a scratch golfer. Okay, I quickly realized THAT was never going to happen so I decided to branch out into more achievable past-times.

So now I am an avid jewelry designer (www.dridesigns.etsy.com), a traveler (www.randomdrj.blogspot.com), a part-time professor, and part-time strategy consultant.

And even more important, I volunteer. Right now I volunteer my time as a board member for Meritrust (www.meritrustcu.org) and CPYS (www.cpys.org). The common thread for my volunteer efforts is to participate in organizations that serve the community, particularly the youth in our fine city.

And yes, I DO still golf.

Cheers!

Dr J
